

diamondXL9 carpet gripper

Get to grips with the **new 9mm carpet gripper**, perfect for underlays **10mm thickness** and above.

- **Extra wide gripper** – making it easier and safer to fit as the pre-nails are further away from the wall/skirting
- **Rust resistant** zinc coated pins & nails
- **Superior ply** for extra stability
- **Extra nails** for a stronger fix to the sub floor
- **Extra pins** for a much greater hold of the stretched carpet

25mm
ca **78** pins
ca **12** nails

floorwise
