

Maintenance

Thank you for choosing Liberty Urban 55 Neo LVT! We're committed to ensuring your new floor maintains its stunning appearance, just like the day it was installed. To assist you in achieving this, we've provided the following comprehensive floorcare guidelines. Every product within our Urban 55 Neo collection is treated with a protective polyurethane (PU) coating, creating a resilient surface that guards against everyday wear and tear, ensuring exceptional, long-lasting performance. Moreover, Urban 55 Neo is designed to resist dust mites and bacteria, making it an excellent choice for a healthy home environment.

Domestic Interior Floorcare Instructions:

Initial Cleaning After Installation

For the first 24 hours after installation, please refrain from walking on the floor. This allows ample time for the installation to set properly. To prevent any potential scratching from loose dirt or grit, use a gentle sweeping or vacuuming method. Additionally, consider a light polishing to further safeguard the surface against minor scratches.

Day-to-Day Cleaning

1. Begin by sweeping or vacuuming the floor to eliminate loose dirt, grit, or dust particles.
2. Regularly mop the floor using clean mops and a neutral cleaning solution, following the manufacturer's recommended dilution instructions. Be sure to collect any excess liquid in a mop bucket.
3. Rinse the floor thoroughly with clean water and allow it to air dry.

Maintenance Tips for a Pristine Floor:

1. Place barrier mats at entrances to capture grit and moisture. (Note: Some rubber-backed mats may cause discoloration).
2. Safeguard your floor by using protective pads and cups under furniture to prevent indentations and scratches.
3. Swiftly attend to spillages to reduce the risk of staining and slip hazards.
4. Regularly trim pets' claws to prevent fine scratches on the floor's surface.
5. Avoid using abrasive liquids or metal scouring pads, as they may cause damage.
6. Refrain from using solvents, caustic detergents, washing up liquids, soap powders, bleach, furniture polishes, petroleum-based products, pine gels, stain removers, or highly colored products. These can either make the floor slippery or result in permanent damage.
7. When moving furniture, ensure that it has protective feet to prevent any scratching or damage to the floor.
8. Remember, regular cleaning is not only beneficial for the longevity of your floor covering but also more cost-effective than occasional heavy cleaning.

Thank you for entrusting us with your flooring needs. We're confident these guidelines will help you enjoy your Liberty Urban 55 Neo for years to come. If you have any further questions or concerns, please don't hesitate to reach out to our support team.
